STANDARD SPECIFICATION

Fiat Ducato Chassis

Credo
Emotion

Turbocharged diesel engine with electronically controlled Common Rail direct injection

•

Compliance with Euro 4 emissions standard by means of exhaust gas recirculation

•

6-speed transmission with dashboard gear shift

•

Front wheel drive with ASR traction control system

•

Alko low-frame lowered by 220 mm

•

Galvanized frame parts

•

Independent front and rear wheel suspension

•

Wheel sizes 215/70 R 15 (for chassis version 3.500 kgs / 3.700 kgs maximum permissible weight)

•

Wheel sizes 225/75 R 16 (for chassis version 4.250 kgs maximum permissible weight)

•

Disc brakes on front and rear axles

•

Electronic brake-pad wear indicator

•

Electronic brake-force distribution (EBD)

•

Electronically controlled anti-locking braking system (ABS)

•

Alternator 14 V, 110 A / 1.400 W

•

Battery 12 V / 95 Ah

•

Fuel tank 90 l

•

Twin headlights

•

Tinted windscreen

•

Adjustable steering wheel

•

Electrically adjustable, heated outside mirrors

•

Flat tyre kit with compressor

•

Warning triangle and first-aid kit

•

Warning lamp and wheel chock

•

STANDARD SPECIFICATION

Iveco Daily chassis

	Credo Passion	Credo Action
Turbocharged diesel engine with electronically controlled Common Rail direct injection	•	•
Compliance with Euro 4 emissions standard by means of exhaust gas recirculation	•	•
6-speed transmission with dashboard gear shift	•	•
Rear wheel drive with ASR traction control system	•	•
Rear axle with comfortable parabolic springs (air suspension available as an optional extra)	•	–
Twin rear wheel size 195/75 R 16 (Iveco 50C18)	•	–
Twin rear wheel size 225/75 R 16 (Iveco 60C18)	–	•
Disc brakes on front and rear axles	•	•
Electronic brake-pad wear indicator	•	•
Electronically controlled anti-lock braking system (ABS)	•	•
Cruise control	•	•
Alternator 14 V, 140 A / 1.960 W	•	•
Battery 12 V / 110 Ah	•	•
Fuel tank 100 l	•	•
Tinted windscreen	•	•
Power-operated driver and passenger windows	–	•
Fog lights	–	•
Twin headlights	•	–
Electrically adjustable, heated outside mirrors	•	•
Spare wheel	•	•
Warning triangle and first-aid kit	•	•
Warning lamp and wheel chock	•	•

STANDARD SPECIFICATION

Coachwork

	Credo Emotion	Credo Passion	Credo Action
Modern bus design	•	•	–
Panoramic, tinted, laminated glass windscreen	•	•	–
Sliding, toughened, tinted, insulating glass side windows with integrated blind	•	•	–
Tinted double-glazed tilting/sliding plastic windows in the living area with integrated blind and fly screen	•	•	•
Darkening blind for windscreen	•	–	–
Electrically operated insulating roller blind for windscreen	–	•	–
Rugged long-life Solidtherm aluminium sandwich construction	•	•	•
„Faraday cage“ lightning protection	•	•	•
Fully insulated wall joining technique using high-density solid PU profiles to eliminate cold spots	•	•	•
Wall thickness 32mm with 30 mm closed-cell, high-resistance RTM foam	•	•	•
Chromated aluminium alloy external and internal wall, roof and underbody panels	•	•	•
Smooth outer panels with white baked enamel finish	•	•	•
Walk-on roof	•	•	•
Side skirts made of strong but flexible, corrosion-free GRP material	•	•	•
GRP sandwich rear wall construction with PU foam core	•	•	•
Heated double floor approx. 300 mm high	•	–	–
Heated double floor approx. 334 mm (Credo Passion) and 357 mm (Credo Action)	–	•	•
Sandwich-type floor and intermediate panel construction with 30 mm RTM foam insulation, total floor insulation 60mm	•	•	•
Rugged GRP wheel arches with fully insulated sandwich construction for the rear axle	•	•	•
Illuminated, heated rear garage with loading flap on the right-hand side, floor rail tracks with fastening eyelets (for Credo Passion only)	•	•	–
Illuminated, heated rear garage with loading flap on the right- and left-hand side, floor rail tracks with fastening eyelets	–	–	•
Heated double step inside the entrance door	•	•	•
Electrically retractable outside steps with safety circuit	–	•	•
Solid entrance door with safety lock	•	•	•
Exterior light with safety circuit, switches off automatically when the engine is started	•	•	•
Cockpit seats with armrests (same material as the seats in the living room, height-adjustable, Daily with integrated safety belts)	•	•	–
Cockpit seats in original fabrics, passenger seat adjustable	–	–	•
Credo decals in blue/silver	•	•	•

STANDARD SPECIFICATION

Living area / Bedroom

	Credo Emotion	Credo Passion	Credo Action
Walls and ceiling in colour-coordinated carpet	•	•	•
Easy-clean laminated floor covering	•	•	•
Ergonomic, high-quality, Diolen-upholstered seating elements with zip-off covers	•	•	•
Microfibre covers on the seats in the living area (Credo Emotion and Passion, including cockpit seats)	•	•	•
Lengthwise bench can be combined with seating elements to make a spacious seating arrangement (incl. table extension for dinette)	–	–	•
High-quality furniture with laminate or veneer construction	•	•	•
Furniture flaps and doors with metal hinges and catches	•	•	•
Lighted wardrobe	•	•	•
Rear bed with slatted frame and comfortable cold foam mattress	•	•	•
Sliding door used as room divider leading to the bedroom (not available for models with H beds)	•	•	•
Insulated sliding door leading to the cab, may be locked from the living area	–	–	•
Double-glazed Midi roof hatch in the living area with blind and fly screen	•	•	•
Roof hatch in the bedroom with integrated blind and fly screen	•	•	•
Sturdy laminated table with wood grain finish	•	•	•
Fabric curtains at the windows in the living area and bedroom	•	•	•
Glass-fronted cabinet with shelves next to the entrance door, incl. assorted glasses	•	•	•
Lighting canopies with halogen spotlights and integrated lighting	•	•	•
Solid metal handle inside the entrance door	•	•	•
230-V sockets	•	•	•

Over-cab

Size of over-cab (mm)	–	–	2180 x 1580
Mattress dimensions (mm)	–	–	2050 x 1450
Headroom above bed (mm)	–	–	715
Two-part sprung slatted frame with single Carawinx mattress	–	–	•
Curtain to separate the over-cab bedroom from the living area	–	–	•
Roof hatch with integrated blind and fly screen	–	–	•
Shelves and reading lights	–	–	•
Two double-glazed opening windows with blinds	–	–	•
Rear ladder	–	–	•

STANDARD SPECIFICATION

Pulldown Bed (optional extra)

	Credo Emotion	Credo Passion	Credo Action
Mattress dimensions (mm)	1920 x 1320	1920 x 1320	–
Headroom above bed (mm)	800	800	–
Two-part sprung slatted frame with single cold foam mattress	•	•	–
Roof hatch with integrated blind and fly screen	•	•	–
Curtain to separate the living area	•	•	–

Kitchen

Flush-fitted three-flame stainless steel gas hob with automatic ignition and glass cover	•	•	•
Stainless steel sink	•	•	•
Single-lever chrome sink mixer	•	•	•
Worktop area with hard-wearing laminate finish	•	•	•
97l refrigerator/freezer combination, AES (automatic and manual energy selection 12 V / 230 V / gas)	•	–	–
142l refrigerator/freezer combination, AES (automatic and manual energy selection 12 V / 230 V / gas)	–	•	•
Cutlery drawer	•	•	•
Lighting with halogen spotlights in the canopy and underneath the wall cupboards	•	•	•
230-V sockets	•	•	•
Wastebin integrated in worktop area	•	•	•

Bathroom / Toilet

Bathroom cabinet with mirror and shelf	•	•	•
Lighting with halogen spotlights and outside switch	•	•	•
Corisan washstand with flush integrated washbasin	•	•	•
Single-lever chrome mixer on the washstand	•	•	•
Shower with double acrylic door and detachable clothes bar	•	•	•
Shower column with soap dish and chrome railing	•	•	•
Shower mixer with wall rail and shower head with height adjustment facility	•	•	•
Cassette toilet	•	•	•
Toilet paper holder and towel hooks	•	•	•
Roof hatch with integrated fly screen and blind	•	•	•
230-V socket	•	•	•

STANDARD SPECIFICATION

Water / Gas / Heating

	Credo Emotion	Credo Passion	Credo Action
Gas compartment for 2 x 11 kg gas bottles	•	•	•
Cut-off valves for all appliances	•	•	•
Freshwater and wastewater tanks fitted in the heated double floor, ca. 140 l each (driving position freshwater tank: 40 l)	•	–	–
Freshwater and wastewater tanks fitted in the heated double floor, ca. 160 l each (driving position freshwater tank: 100 l)	–	•	•
Easy access wastewater drain valve in the heated double floor	•	•	•
Access to both tanks from living area for easy cleaning	•	•	•
Direct drainage facility for freshwater tank via valve in double floor	•	•	•
Automatically operating central water pump with surge tank	•	•	•
5.500 W hot water engine-independent gas fired central heating with thermostatic control and time switch, 230 V / 3.000 W electric heater, automatic vent valve, non return valve	•	•	•
Integrated hot-water boiler to supply all taps	•	•	•

Electrical Equipment / TV / Radio

90-AH-AGM-Battery	•	•	•
Battery watch system avoiding overloading or total discharge of batteries	•	•	•
230-V-CEE connection in the storage compartment with cable routing through the double floor	•	•	•
Central control and distribution module with microprocessor technology	•	•	•
Automatic battery charging facility with electronic control and battery temperature sensor, 25 A maximum charging current	•	•	•
Automatic charging of leisure and vehicle batteries when connected to an external power supply and while driving	•	•	•
Automatic connection and disconnection of leisure and vehicle batteries	•	•	•
Automatic refrigerator cut-off in 12 V mode when engine is switched off	•	•	•
Deactivation of on-board electrical system when voltage too low or in the event of overheating, with automatic reactivation	•	•	•
Automatic residual-current-operated circuit breaker	•	•	•
350 W sine-wave power inverter and mains priority circuit (230 V for all sockets even when not connected to external power supply)	–	•	•

STANDARD SPECIFICATION

On-board electronics

	Credo Emotion	Credo Passion	Credo Action
Ultra-modern microprocessor-controlled electronic system with BUS technology (Binary Unit System)	•	•	•
Central control and monitoring panel with 3,5" color screen	•	•	•
Master switch for all electrical equipment	•	•	•
Pushbuttons to switch off the following items:			
• Heating	•	•	•
• Anti-freeze system for gas pressure regulator	•	•	•
• Lighting	•	•	•
• Water pump	•	•	•
• Power inverter	•	•	•
LCD indicator panel for monitoring of:			
• Freshwater tank	•	•	•
• Wastewater tank	•	•	•
• Voltage of leisure and vehicle battery	•	•	•
• Outside and inside temperature	•	•	•
• Charging and discharging current	•	•	•
• External power supply	•	•	•
• Batteries connected in parallel	•	•	•
• Date and time with alarm clock function	•	•	•
Alarm facilities for:			
• Wastewater tank full	•	•	•
• Freshwater tank empty	•	•	•
• Low battery voltage	•	•	•
• Reserve gas bottle in use	•	•	•
• Step extended	–	•	•

Deviations by +/- 5 % are possible and permitted.

² Maximum permissible train weight: 5500 kg

SECTIONAL DRAWING

THE CABIN CONSTRUCTION OF THE CONCORDE CREDO

As far as motorhome building is concerned, Concorde stands for perfect insulation and outstanding stability. This is primarily due to the fully bonded Solidtherm® cabin construction with high-density solid PU profiles to eliminate cold spots and the side wall insulation with a 30 millimetre layer of RTM foam. As if that were not enough: sandwich constructions are also used for the floor and intermediate panels, with insulation layers adding up to a total of 60 millimetres, contributing to the as yet unparalleled insulation values achieved by Concorde. Furthermore, the side skirts, the bumpers and the front and rear sections are made of rugged but flexible GRP material. The completely smooth, high gloss, aluminium sandwich wall panels create an automobile impression and aluminium roof profile sections with rain channels reduce soiling of the side walls to ensure that the attractive appearance is maintained over the years.

The prices for vehicles and special options apply to vehicles purchased in Germany and are quoted in euros including 19 % value-added German tax. Concorde reserves the right to adjust the quoted prices in the event of an increase in value-added tax between order and delivery. All prices are recommended retail prices ex works. If the vehicle manufacturers change their prices, this will necessitate a corresponding adjustment to the price of the finished vehicle. The prices for special options only apply where these are installed in the factory, assuming that adequate notice has been given. Retrospective installation work incurs additional costs for materials and labour. The quoted prices include the ancillary expenses for delivery of the chassis and acceptance by the German Technical Inspectorate (TÜV). Concorde reserves the right to implement technical modifications as long as the quality of the product remains the same or is improved, and the intended purpose is not adversely affected. This price list supersedes all previous price lists.
