Errors and changes excepted. Product changes may have occurred after the editorial deadline (06/2011) of this technical details.

The mass in running order and the maximum user payload are subject to EC directives 97/27 and EN-1645-2: $\pm 5\%$ possible deviation.

Fitting optional parts will increase your caravan's net weight, and reduce possible additional payload.

The mattress dimensions may slightly differ from the stated bed dimensions.

For details on refrigerator capacities please refer to manufacturer information.

For organisational reasons it is not possible for customers to collect vehicles at our plant.
