SPINFLO
by **THETFORD**

Spinflo is the leading British supplier of quality hobs, cookers, ovens and sinks to the recreational industry, serving the caravan, motor home and holiday home markets for over 20 years. Spinflo products are world-renowned for their high quality, durability and customisation possibilities. Today, all Spinflo cooking appliances are manufactured in the British city of Sheffield. Employing over 160 dedicated professionals, Spinflo supplies countries as far away from the UK as Australia and New Zealand.

Sumptuous holiday memories with Spinflo cooking appliances

All Spinflo cooking appliances are equipped with either 12 v or 240 v spark ignition system and feature domestic style burners and taps with flame failure devices. All products have reliable controls, are easy to install and are available in many different materials and finishes. Made with uncompromising quality, these are just a few of the many advantages of the Spinflo cooking appliances.

Of course, every Spinflo product is thoroughly tested to ensure ultimate safety and customer satisfaction. It goes without saying that all products are approved to the latest European standards (EN30).

In 2005, Spinflo became a division of **Thetford**. Thetford is the leading manufacturer and distributor of mobile sanitation systems, additives, and absorption refrigeration systems for the recreational market, based in Etten-Leur, the Netherlands.

From tents, caravans and motor homes to the most exclusive holiday homes and apartments, **Spinflo by Thetford** has the appliances to suit everybody's application and budget!
